Race The Train. 18th August 2012

Following the success of last summer's trip to North Wales for the Race The Train day we will again be attending these races in Tywyn. As last year, the plan is to stay on a campsite on the outskirts of the town (at about 1 mile from the finish).

The day comprises four races with 3.5, 5.5 mile and 10k races in the morning and the full 14 mile course in the afternoon so there's something for most runners to enjoy. The day then concludes with a bar, food and disco on the green in the centre of Tywyn.

In order to ensure we can all get on the campsite (although last year there was plenty of room) I'd like to have some idea of how many members are coming just as a rough guide at this stage. Please drop me an email or text when you've decided. The race can be entered at www.racethetrain.com . We'll arrange tents and lift sharing nearer the event.
